Lake Wallenpaupack: A Brief History

Native Americans who once inhabited northeastern Pennsylvania called it "Wallenpaupack," the stream of swift and slow water. In prehistoric times, a great lake had existed in this vast upland basin, fed by rapidly moving water and still ponds. In the early 20th century, engineers harnessed the waterpower potential of Wallenpaupack Creek. They laid plans to harness its

In 1926, PPL opened Lake Wallenpaupack, recreating a magnificent bo
